

TERM 2 OFF-SEASON ACADEMIES

YoungGun Cricket powered by PER4ORM are excited to announce our 2026 Academies. The programmes are custom designed for Foundation level cricketers, Under 16 cricketers wanting to play representative cricket in the High Performance Academy and the Professional Cricket Pathway academy with players looking to play Premier Cricket.

We've created an all-encompassing cricket development experience designed to address skill development, tactical awareness, mental strength & strategies, S&C preparation and nutrition... It's the ultimate cricket education and development program.

Our Academies give players the opportunity to learn from the best Coaches in the game, develop elite cricket skillsets while gaining a true understanding of their cricket identity. We are committed to helping create holistic cricketers who have advanced knowledge of the game inside the game and are truly prepared to be their best on field and beyond the boundary.
